STATEMENT OF OBJECTS AND REASONS.

For some time past the administration of the Bidhan Chandra Krishi Viswa Vidyalaya had not been functioning properly. Various allegations against the University administration were received by the State Government. There were constant agitations amongst the students, employees and teachers. The Vice-Chancellor was not in a position to discharge his functions. The academic atmosphere was conspicuous by its absence in the campus. In order to remove the stalemate it was felt necessary for the State Government to intervene. The State Government accordingly decided to supersede the authorities of the University to ensure its better administration.

As immediate action was called for, the Bidhan Chandra Krishi Viswa Vidyalaya (Temporary Supersession) Ordinance, 1977 was promulgated on the 8th December, 1977 and published in the Official Gazette on the 8th December, 1977. The proposed Bill seeks to replace the Ordinance.

STATEMENT OF OBJECTS AND REASONS.

Meanwhile, the term of elected members of the Senate/University, Syndicate Executive Council, Academic Council and other bodies of the Universities of Calcutta, Burdwan, North Bengal and Kalyani has long expired.

2. In order to provide for the efficient functioning of the Universities till elections are held under the new Act it was considered essential to supersede temporarily the existing Senate/University, Syndicate/Executive Council, Academic Council and Committees and Boards and all subordinate authorities of above four Universities.

3. It was also considered expedient to constitute a Council in each of the abovementioned Universities with the Chancellor, Vice-Chancellor and some members nominated by the Chancellor. The Council would exercise the powers and perform the duties of "the University" and all other subordinate bodies after supersession, provided that the Council may delegate any of its powers to such body or bodies as may be constituted.

4. With this end in view and as the Assembly was not in session at that time an Ordinance was promulgated by the Governor superseding the University of Burdwan and constituting a Council for a limited period of one year, renewable for a further period of one year but not exceeding six months at a time.

5. The present Bill is to replace the Burdwan University (Temporary Supersession) Ordinance, 1978.

STATEMENT OF OBJECTS AND REASONS.

Education Department is considering enactment of new legislation to regulate the composition of the different bodies of the Universities in modification of the West Bengal Universities (Amendment) Act, 1975. Meanwhile, the term of elected members of the Senate|University, Syndicate|Executive Council, Academic Council and other bodies of the Universities of Calcutta, Burdwan, North Bengal and Kalyani has long expired.

2. In order to provide for the efficient functioning of the Universities till elections are held under the new Act it was considered essential to supersede temporarily the existing Senate|University, Syndicate|Executive Council, Academic Council and Committees and Boards and all subordinate authorities of above four Universities.

3. It was also considered expedient to constitute a Council in each of the above-mentioned Universities with the Chancellor, Vice-Chancellor and some members nominated by the Chancellor. The Council would exercise the powers and perform the duties of the Senate and all other subordinate bodies after supersession, provided that the Council may delegate any of its powers to such body or bodies as may be constituted.

4. With this end in view and as the Assembly was not in session at that time an Ordinance was promulgated by the Governor superseding the University of Calcutta and constituting a Council for a limited period of one year, renewable for a further period of one year but not exceeding six months at a time.

5. The present Bill is to replace the Calcutta Univeristy (Temporary Supersession) Ordinance, 1978.

Short title. **1.** This Act may be called the West Bengal *Panchayat* (Amendment) Act, 1978.

Amendment of section 55 of West Ben. Act 1 of 1957. **2.** In sub-section (2) of section 55 of the West Bengal *Panchayat* Act, 1957 (hereinafter referred to as the said Act),—

3. For the heading under Chapter IX of the said Act, the following heading shall be substituted:—

"Allocation of properties to *Gram Panchayat* and *Anchal Panchayat.*

Amendment of section 63.

5. In section 63 of the said Act,—

(*a*) in sub-section (*1*), after the words "*Gram Panchayat*", the words "or an *Anchal Panchayat*" shall be substituted;

(*b*) in sub-section (2), after the words "*Gram Panchayat*", the words "or, as the case may be, *Anchal Panchayat*" shall be substituted.

Repeal and savings.

6. (*1*) The West Bengal *Panchayat* (Amendment) Ordinance, 1978, is hereby repealed. West Ben. Ord. I of 1978.

(2) Anything done or any action taken under the said Act as amended by the West Bengal *Panchayat* (Amendment) Ordinance, 1978, shall be deemed to have been validly done or taken under the said Act as amended by this Act as if this Act had commenced on the 9th day of January, 1978.

STATEMENT OF OBJECTS AND REASONS.

Sub-section (2) of section 55 of the West Bengal *Panchayat* Act, 1957 specifically lays down the purposes for which Anchal funds shall be utilised. This sub-section does not authorise the Anchal Panchayat to incur any expenditure out of its fund for the purpose of performing duties assigned to it by the State Government under sub-section (2) of section 46 of the aforesaid Act. The Anchal Panchayats are, however, authorised under this sub-section to undertake Community Irrigation Projects. It is, therefore, necessary to amend the Act and to include suitable provision so that Anchal Panchayats may undertake Community Irrigation Projects and incur expenditure for this purpose.

Section 62 of the West Bengal *Panchayat* Act, 1957 lays down that the State Government may allocate to a Gram Panchayat any property situated within its local jurisdiction and thereupon such property shall vest in and come under the control of the Gram Panchayat. Similarly section 63 lays down that if any Gram Panchayat requires any land to carry out any of the purposes of the Act, it may negotiate with the person or persons having interest in the said land and if it fails to reach an agreement, it may make an application to the District Magistrate for acquisition of the land and the District Magistrate, if he is satisfied that the land is required for a public purpose, may take steps to acquire the land. The Panchayat Department have undertaken tree plantation on a massive scale in the rural areas of West Bengal in order to prevent erosion of soil. Anchal Panchayats have taken active interest in this programme. But the Anchal Panchayats have no authority to negotiate with any person for taking over any land for the purpose. The authority under the Act has been given to the Gram Panchayat. The Gram Panchayats are not economically viable organisations and as such it is considered expedient to give such authority to the Anchal Panchayats also. It is, therefore, proposed to amend sections 62 and 63 suitably so that Anchal Panchayats can also take necessary steps in this regard.

STATEMENT OF OBJECTS AND REASONS.

In exercise of the powers conferred by section 224 of the West Bengal *Panchayat* Act, 1973 (West Ben. Act XLI of 1973), the West Bengal Panchayat (Election) Rules, 1974 were framed and published in an extraordinary issue of the *Calcutta Gazette*, dated 1st March, 1974. These rules were thereafter examined by the Committee on Subordinate Legislation appointed by the West Bengal State Legislature. The Committee made some suggestions. The rules provide that for the purpose of the first election the local limits of jurisdiction of a Gram Sabha constituted under the West Bengal *Panchayat* Act, 1957 shall form a constituency under the 1973 Act. The Committee recommended that this provision should be incorporated in the Act itself. Under section 210 the State Government may appoint two members of the Scheduled Castes or Scheduled Tribes and two women to be members of any Gram Panchayat, Panchayat Samiti or Zilla Parishad, if they are not elected to these bodies. The Committee suggested that the Gram Panchayat, Panchayat Samiti or Zilla Parishad may start functioning if no such appointments are forthcoming from the State Government. The Committee also suggested that the provision for deposit of money by a candidate seeking election should be incorporated in the Act itself. A definition of the expression "Hill areas" has been incoporated on the suggestion of this Committee. The amendments proposed in the Bill have been made in accordance with the recommendations of the Committee on Subordinate Legislation.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 324-L.—6th March, 1978.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :—

Bill No. 15 of 1978

THE WEST BENGAL HIGHWAYS (AMENDMENT) BILL, 1978.

A

BILL

to amend the West Bengal Highways Act, 1964.

WHEREAS it is expedient to amend the West Bengal Highways Act, 1964, for the purpose and in the manner hereinafter appearing; West Ben. Act XXVIII of 1964.

It is hereby enacted in the Twenty-ninth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. 1. This Act may be called the West Bengal Highways (Amendment) Act, 1978.

Amendment of section 10 of West Ben. Act XXVIII of 1964. 2. In section 10 of the West Bengal Highways Act, 1964, in sub-section (2), for the words "a Magistrate of the first class", the words "an Executive Magistrate" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

In terms of section 10 of the West Bengal Highways Act, 1964, cases for removal of encroachments are to be tried by "a Magistrate of the first class" and appeals to be heard by the District Magistrate having jurisdiction. After coming into force of the Code of Criminal Procedure, 1973, the term "Magistrate of the first class" refers to "Judicial Magistrate of the first class". It has, however, been considered administratively expedient to get the encroachment cases tried by "Executive Magistrate" in place of "Judicial Magistrate". Accordingly, it has been proposed to replace the term "Magistrate of the first class" by the term "Executive Magistrate" in sub-section (2) of section 10 of the West Bengal Highways Act, 1964.

2. The Bill has been prepared with the aforesaid object in view.

HOME DEPARTMENT

Transport

NOTIFICATION

No. 25/2WT.—3rd March 1978.—Whereas in view of the rapid economic development of the country and with a view to encouraging movement of transport vehicles on inter-State routes between Orissa and West Bengal it is necessary to enter into a supplementary reciprocal transport agreement ;

Now, therefore, in pursuance of the provisions of sub-section (3A) of section 63 of the Motor Vehicles Act, 1939 (Act 4 of 1939), and in modification of the terms of the existing reciprocal transport agreement regarding restrictions of movement of goods vehicles to three agreed routes or the direct shortest routes, the Governor is pleased hereby to publish a draft of a supplementary reciprocal transport agreement which the Governments of West Bengal and Orissa propose to enter into, on the terms and conditions in the schedule given below, for the information of all persons likely to be affected thereby.

Notice is hereby given that the proposed supplementary agreement and any representation in connection therewith shall be taken into consideration by the Secretary, Home (Transport) Department, Government of West Bengal, on or after the expiry of a period of thirty days from the date of publication of this notification in the "Calcutta Gazette".

SCHEDULE

(Terms and conditions of the Reciprocal Transport Agreement)

1. This reciprocal Agreement shall be valid till such time as a new agreement between the two States is arrived at or the existing agreement is revoked after issue of six months' notice by either State. Such revocation will not, however, affect the plying of vehicles covered by a permit already issued and/or countersigned under this Agreement. This Agreement shall be subject to revision every six months or periodically at the instance of either State and shall come into force immediately after the publication and consideration of representations envisaged under sub-section (3A) of section 63 of the Motor Vehicles Act, 1939, are fulfilled.

"(*1*) Subject to the control of the State Government, the Commissioner of Police may raise a force of special police officers and a force of Traffic Wardens for the town of Calcutta and may also disband such a force without assigning any reason or serving any notice and without payment of any compensation or damages whatsoever to any member of the force.".

(Clause 3.)

Amendment of section 14A of Ben. Act II of 1866.

3. For sub-section (*1*) of section 14A of the Calcutta Suburban Police Act, 1866, the following sub-section shall be substituted:—

"(*1*) Subject to the control of the State Government, the Commissioner of Police may raise a force of special police officers and a force of Traffic Wardens for the suburbs of the town of Calcutta and may also disband such a force without assigning any reason or serving any notice and without payment of any compensation or damages whatsoever to any member of the force."[2].

STATEMENT OF OBJECTS AND REASONS.

Section 20A of the Calcutta Police Act, 1866 and section 14A of the Calcutta Suburban Police Act, 1866 provide for raising and maintenance of a force of Special Police Officers and a force of Traffic Wardens respectively for the town of Calcutta and the suburbs of the town of Calcutta. These are voluntary organisations which are called upon to assist the regular police force in case of necessity. Sometimes it may be necessary to disband such a force in the public interest. There is no provision in the aforesaid Acts for disbandment of such a force once it is raised.

The object of the Bill is to so amend the Calcutta Police Act, 1866 and the Calcutta Suburban Police Act, 1866 as to provide for raising as also disbanding of such organisations whenever considered necessary.

The Bill seeks to achieve that end.

STATEMENT OF OBJECTS AND REASONS.

Some colleges were running Pre-University/University Entrance course of study for plucked students and for those who have passed the old School Final examination. If they are allowed to continue their studies in the Pre-University/University Entrance course during 1977-78 session, the present Three-Year degree course and the new degree course to be introduced next year will have to be continued simultaneously for longer periods. College authorities will find it difficult to run these two degree courses simultaneously with Pre-University/University Entrance course and new two-year Higher Secondary course.

In order to remove these difficulties it is necessary to discontinue admission into Pre-University/University Entrance course from 1977-78 session and into existing Three-Year degree course from 1978-79 session.

The Bill has been framed with the above object in view.

As the West Bengal Legislative Assembly was not in session an Ordinance, namely, the West Bengal Pre-University, University Entrance and Three-Year Degree Course (Discontinuance of Admission for Prosecution of Study) Ordinance, 1978 was promulgated by the Governor earlier on the subject. The present Bill seeks to enact the provisions of the Ordinance with minor amendments.

Power to remove difficulties.

9. If any difficulty arises in giving effect to the provisions of this Act the State Government may, by order, not inconsistent with the provisions of this Act, remove such difficulty.

Power to make rules.

10. The State Government may make rules for carrying out the purposes of this Act.

STATEMENT OF OBJECTS AND REASONS.

The Sree Balaram Seva Mandir, Khardah, a 100-bedded Hospital with arrangement for Outdoor Service, had been run under the auspices of Sree Balaram Swasthaseva Sangha, a registered Society.

2. Owing to disputes between the employees and the management of the Hospital the employer-employee relation deteriorated and ultimately the Governing Body of the Sangha adopted a resolution inviting Government to intervene and to appoint a Government Administrator for the Hospital, the financial control remaining with the Governing Body. A Government Administrator was appointed for the Hospital on and from the 29th April, 1974 with direct charge and administration, the financial control remaining with the Sree Balaram Swasthaseva Sangha, the parent body.

3. The dual control over the Hospital did not, however, work well and in the absence of any financial power in the hands of the Administrator, the condition could not be improved much, nor was it possible to undertake any work of development. The Sangha authorities did not take any steps in the matter, neither they could be persuaded to make over the financial powers to the Government Administrator. Eventually they stopped payment on account of monthly salaries of the staff and daily requirements of the hospital. Fund has been provided out of the State Exchequer to meet the minimum needs of the hospital including staff salaries. The hospital is now functioning with limited services.

4. The hospital is situated in a thickly congested area where there is no State Hospital. This hospital, which has all the potentialities, can give reasonable medical coverage to the people of the area if it is properly maintained and developed.

5. It is, therefore, proposed that the Sree Balaram Seva Mandir, Khardah together with the dispensaries attached thereto and all their assets be taken over by Government on a permanent basis by legislation. The Sree Balaram Seva Mandir Acquisition Bill, 1978 has been drafted with this object in view.

FINANCIAL MEMORANDUM.

Attention is invited to clauses 3 and 4 of the Sree Balaram Seva Mandir Acquisition Bill, 1978. The hospital had 100 indoor beds. On its take over the State Government has to restore the services in full—Outdoor as well as Indoor with 100 beds.

The Scheme involves a non-recurring expenditure of Rs.1,65,000 on account of equipment, furniture, X-ray machine, ambulance, etc. and a recurring expenditure of Rs.7,15,000 per annum on account of salaries of Medical Officers and other staff and charges for diet, medicines, contingencies, etc.

Besides the above, there is a provision in clause 5 of the Bill for depositing in cash in Court a sum of Rs.5,000 to the credit of the Sree Balaram Swasthaseva Sangha, Khardah.

11. The State Government may from time to time give such directions, not inconsistent with the provisions of this Act, to a college as may be necessary for carrying out the purposes of this Act.

Removal of difficulty.

12. If any difficulty arises in giving effect to the provisions of this Act, the State Government may, by order not inconsistent with the provisions of this Act, remove that difficulty.

Repeal and savings.

13. (*1*) The West Bengal Colleges (Payment of Salaries) Ordinance, 1978, is hereby repealed. West Ben. Ord. VIII of 1978.

(2) Anything done or any action taken under the said Ordinance shall be deemed to have been validly done or taken under this Act.

STATEMENT OF OBJECTS AND REASONS.

Due to re-structuring of the pattern of education in recent past and also due to various other factors, e.g., fall in roll-strength, rate of tution and other fees remaining static for decades, unsatisfactory collection of tuition fees, rising cost of chemicals, laboratory equipment, etc., the authorities of non-Government non-sponsored colleges were finding it difficult to meet their financial commitments with their incomes. As a result the salaries of teaching and non-teaching staff in the college scales of pay were falling into arrears. Such irregular and part payment of salaries to the staff was adversely affecting their morale and also the standard of teaching.

It has, therefore, become necessary for the State Government to take responsibility for ensuring payment of salaries to teaching and non-teaching staff of non-Government non-sponsored colleges in full (both college and Government shares).

The Bill has been framed with the above object in view.

As the West Bengal Legislative Assembly was not in session an Ordinance, namely, the West Bengal Colleges (Payment of Salaries) Ordinance, 1978 was promulgated by the Governor earlier on the subject. The present Bill seeks to enact the provisions of the Ordinance with minor amendments.

CALCUTTA,
The 15th March, 1978.

S. GHOSH,
Member-in-charge.

FINANCIAL MEMORANDUM.

For payment of salaries to teaching and non-teaching staff of non-Government non-sponsored colleges in full (both College and Government shares) it will cost the State Exchequer an additional amount of about Rs. 4 crores per annum. The amount will be met from the Education Budget.

A

BILL

to amend the Calcutta Tramways Company (Acquisition of Undertaking) Act, 1976.

WHEREAS it is expedient to amend the Calcutta Tramways Company (Acquisition of Undertaking) Act, 1976, for the purpose and in the manner hereinafter appearing; West Ben. Act LIV of 1976.

It is hereby enacted in the Twenty-ninth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the Calcutta Tramways Company (Acquisition of Undertaking) (Amendment) Act, 1978.

Amendment of s. 5. **2.** To section 5 of the Calcutta Tramways Company (Acquisition of Undertaking) Act, 1976, the following

STATEMENT OF OBJECTS AND REASONS

The Undertaking of the Calcutta Tramways Company Limited was acquired by the State Government on the 8th November, 1976 under the Calcutta Tramways Company (Acquisition of Undertaking) Act, 1976. The working of the Calcutta Tramways Company as a wing of the Government has presented administrative and other difficulties. For facility of its operation and to obviate the difficulties inherent in departmental management and to enable obtaining of institutional finance for the purpose of its development, the State Government have decided to convert the Undertaking of the Calcutta Tramways Company Limited into a Government Company.

CALCUTTA,

The 6th March, 1978.

MOHAMMED AMIN,

Member-in-charge.

FINANCIAL MEMORANDUM

Pending finalisation of its accounting procedure as a wing of the Government, the Undertaking of the Calcutta Tramways Company Limited was granted from the State Exchequer an average monthly advance of Rs. 29.50 lakhs during the current financial year (up to 31st January, 1978) for meeting its operational deficit.

After the Undertaking is converted into a Government Company, it will have to be paid by the Government ways and means advance for meeting its cash deficit and carrying on its operations. But no additional liability to the State Exchequer for running of Tramway services at the present level of income and expenditure, is anticipated. Efforts will also be made to improve the operational results of the Undertaking further, after its conversion to a Government Company.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION.

No. 431-L.—20th March, 1978.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons and the Financial Memorandum which accompany it, in the *Calcutta Gazette*, the Bill, the Statement of Objects and Reasons and the Financial Memorandum are accordingly hereby published for general information:—

Bill No. 23 of 1978

THE CALCUTTA MUNICIPAL (AMENDMENT) BILL, 1978.

A

BILL

to amend the Calcutta Municipal Act, 1951.

WHEREAS it is expedient to amend the Calcutta Municipal Act, 1951, for the purpose and in the manner hereinafter appearing; West Ben. Act XXXIII of 1951.

It is hereby enacted in the Twenty-ninth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. 1. This Act may be called the Calcutta Municipal (Amendment) Act, 1978.

STATEMENT OF OBJECTS AND REASONS.

Under the existing provisions of sub-section (*3*) of section 391B of the Calcutta Municipal Act, 1951 (West Bengal Act XXXIII of 1951), the terms of office of each member of the Tribunal constituted under sub-section (*1*) of the said section is three years. The first proviso of the said sub-section (*3*) enables the State Government to cancel, at any time, the appointment of a member of the Tribunal on the ground of incapacity or misbehaviour, or for any other good and sufficient reason. The expression "incapacity or misbehaviour" is a vague one and it is difficult to ascertain which case falls within this category. Again the nature of the reason which will be good and sufficient has not been mentioned. The result is that when a person is appointed as a member, he cannot be removed within a period of three years even though the State Government thinks it necessary, for compelling reasons, to remove him before the expiry of the said period.

The Bill seeks to empower the State Government to cancel the appointment of a member of the Tribunal before the expiry of his term.

CALCUTTA,
The 18th March, 1978.

PRASANTA SUR,
Member-in-charge.

FINANCIAL MEMORANDUM.

No additional expenditure from the State Exchequer is involved for implementation of the provisions of the proposed Calcutta Municipal (Amendment) Bill, 1978.

Usha Sewing Machine Works, 183A Prince Anwar Shah Road, Calcutta-31 and their workman Shri Bhupendra Nath Das, represented by Jay Engineering Shramik Karmachari Union, 108 Prince Anwar Shah Road, Calcutta-31, regarding the issue mentioned in the said order being a matter specified in the Second Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Second Industrial Tribunal;

And whereas the said Second Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the Annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Usha Sewing Machine Works 183A Prince Anwar Shah Road, Calcutta-31, and their workmen Shri Bhupendra Nath Das, represented by Jay Engineering Shramik Karmachari Union, 108 Prince Anwar Shah Road, Calcutta-31. (Case No. VIII-152 of 1977.)

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present:

Shri MIHIR MUKHERJEE, Judge,
Second Industrial Tribunal.

The Government of West Bengal, in Labour Department, has referred an industrial dispute between Messrs. Usha Sewing Machine Works, 183 A Prince Anwar Shah Road, Calcutta-31, to this Tribunal by its order No. 2592-I.R./IR/10L-220(E)/75, dated the 2nd July 1977, under section 10 of the Industrial Disputes Act, for adjudication on the following issue:—

Issue

Whether prolonged suspension of Shri Bhupendra Nath Das is justified? To what relief, if any, is he entitled to?

After receipt of the Order of Reference notices were issued to the parties fixing 20th September 1977 for appearance when the parties appeared. By my order No. 2, dated 20th September 1977, 13th October 1977 was fixed for filing written statement by the petitioner-Union. The petitioner-Union did not file any written statement on that date, but the O. P.-Company filed a copy of the Memorandum of Settlement along with a petition praying for passing a 'no dispute' award as the industrial dispute has already been settled between the parties by a bi-partite agreement, dated 21st March 1977, there

being no subsisting dispute between the parties on the subject-matter as such. By my order No. 3, dated 13th October 1977, 17th November 1977 was fixed for hearing on the Memorandum of Settlement and the petitioner-Union was directed to file objection, if any, in the meantime. The petitioner-Union's lawyer appered on 17th November 1977 and 20th November 1977. was fixed for hearing on the Memorandum of Settlement filed by the O. P.-Company. On that date the O. P.-Company was present but the petitioner-Union was absent and by my order No. 5, dated 20th December 1977, 13th January 1978 was fixed for hearing on the Memorandum of Settlement filed by the O. P.-Company.

The learned Lawyer for the petitioner-Union agrees before me that there has been a bi-partite agreement, dated 21st March 1977, between the parties on the subject-matter of the industrial dispute referred to for adjudication and there is no subsisting dispute between the parties which remains to be adjudicated upon by this Tribunal. This is a fit case for passing a 'no dispute' award accordingly.

This is my award.

AWARD

By order No. 1522-I.R./IR/10L-250/74, dated the 19th April 1975, Government of West Bengal, Labour Department, referred an industrial dispute between Messrs. Jayanta Electric Lamp Works and their workmen represented by Jayanta Electric Lamp Works of India Employees' Union for adjudication regarding the issue mentioned in the Order of Reference.

Issue

Is the closure of the factory with effect from 17th December 1974 real? To what relief, are the workmen entitled?

Notices under registered post being issued to the parties concerned regarding this reference case under the Government Order aforementioned, they respectively put up appearance and filed written statements. Then the case proceeded as usual and was finally heard, the contesting parties having adduced evidence both oral and documentary.

As the issue above quoted signifies, the dispute between the parties relates to closure of the factory of Messrs. Jayanta Electric Lamp Works (to be hereinafter referred to as the firm only), with effect from 17th December 1974. Admittedly the factory of the firm was closed down on and from 17th December 1974 and was reopened on 17th November 1975. The workmen represented by Jayanta Electric Lamp Works of India Employees' Union (to be hereinafter mentioned as only Union), challenged the closure as unreal, motivated and designed to

victimise the workmen for their Trade Union activities. The firm on the other hand claimed that the closure was real inasmuch as the firm was compelled to close down its work owing to stringent economic circumstances arising because of high rise of price of materials and high rate of Government taxation.

Besides the above main question there were other incidental issues raised by the parties. The Union alleged that the legal formalities for closure were not compiled with by the firm for which the closure was in any case bad in law. The firm in its turn challenged the locus standi of the Union to represent the workmen concerned in the present adjudication proceedings.

With regard to the last contention of the firm, it appears that the Union had adduced sufficient evidence, oral and documentary, to show that the workmen concerned were members of the Union organised sometime in November 1974. The Ext. A is a letter written by the President of the Union to the Administrative Officer of the firm intimating about the formation of the Union and about the office bearers, etc. This letter is dated 2nd November 1977—that is about one and half months prior to the closure. Be that as it may, the Membership Register of the Union couppled with the oral testimony of the Assistant Secretary of the Union (O.P.W. 1) must be considered to be sufficient for the Tribunal to hold that the Union has perfect locus standi to represent the workmen concerned in the present adjudication proceedings.

With regard to the question of legal formalities of the closure, it appears that the firm notified the Labour Department, Government of West Bengal, by its letter, dated 16th October 1974, that the factory would be closed down with effect from 17th December 1974. Evidence was adduced before the Tribunal from the side of the firm to the effect that notice of closure was hung up on the factory door and that all the workmen who were working in the factory at the relevant time excepting one had been paid the closure compensation and other dues. Even the O.P.W. 1 Shri Kamal Ghosh who deposed on behalf of the Union admitted in cross-examination that closure notice was pasted on the gate of the factory. This fact taken along with the fact as proved, without any effective evidence to the contrary or even challenged from the side of the workmen by the Ext. 11 series, that dues including retrenchment compensation were paid to as many as 103 out of 104 workmen working in the factory at the time must be taken as sufficient compliance on the part of the firm of the legal formalities regarding the closure. It is true that from the side of the Union it was alleged that at the time of the closure there were as many as 150 or 160 workmen working in the factory. But this allegation has remained altogether unsubstantiated. On the contrary, the firm has produced Attendence Register, Wage Register ,and other relevant pepers such as Provident Fund and E.S.I. records from which the firm's allegation that not more than 104 workmen working at the relevant time became amply substantiated. It is suggested to the firm's witnesses by the Union that the receipts Ext. 11 series, were false and fabricated and that there was no payment made under the same. But this suggestion was not backed by any evidence such as the workmen themselves coming before this Tribunal to say that they did not receive the compensation, etc., alleged to have had been paid to them. Thus there was no substance in the suggestion of the Union in this regard. The fact that out of 104 workmen 103 received their dues and compensation, etc. again go to show that the remaining one workman had no reason not to be paid this dues unless he either refused or neglected to collect the same as was argued from the side of the firm.

Lastly the main question as to whether or not the closure was real, that is to say, made upon any valid and reasonable ground. As already mentioned the firm alleged that because of high rise of price of materials in the market as well as high rate of duties payable to the Government, it became unprofitable for them to run the business and therefore the factory had to be closed down. In support of this allegation the firm examined one Shri Adip Banerjee (P.W. 1) who is an Executive Member of All India Small Scale Lamp Manufacturers' Association of which the present firm in question is a member. This witness stated to the effect that the small scale lamp manufacturing industries were hard hit because of competition by large scale industries in the field. He stated that there were about 200 small scale industries in this line. Because of the high rise of price of raw materials, the witness further alleged, the cost of production also became higher and unprofitable in the competitive market. The witness stated further that because of this the Association made representation on behalf of the small scale industries of this line to the Government of West Bengal for relief. The witness also stated that out of 200 manufacturers about 150 had to close down because of the above reason. The relief came ultimately in the form of exemption from Excise Duty in respect of lamp up to 60 Wat Power and therefore in 1975 the factory was reopened. This statement of the P.W. 1 are really backed by documentary evidence such as copies of the representation made to the Government of West Bengal. These are Exts. 4, 5, 6 and 7.

As again the above evidence of the firm relating to the real reason for closure, the Union made allegations firstly, that the closure was a measure in victimisation for the workmen being involved in Trade Union activities and secondly that the firm though closed down its own factory continued to do business of manufacturing through another firm named and styled as Kohinoor Electric Lamp Works. Both these allegations have remained unsubstantiated. No reliable facts could be placed on record from the side of the Union whereby this Tribunal could think as

against the aforementioned evidence adduced from the side of the firm that the closure was unreal and was actually a measure in victimisation for Trade Union activities of the workmen. Nor is there an iota of evidence to substantiate the allegation of the Union that the Company during the closure period continued to do business through another firm named and styled as Kohinoor Electric Lomp Works Ltd. These allegations are, therefore, without any substance and cannot stand as against the positive evidence adduced from the side of the firm relating to the real reason for the closure. The reasons stated naturally justify the closure, this Tribunal must therefore hold in answering to the issue referred to it that the closure of the factory during the period in question was real and that the workmen are not entitled to any relief in this regard.

This is my award.

It is hereby enacted in the Twenty-ninth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the Darjeeling Hill Areas Development Council (Amendment) Act, 1978.

(*2*) It shall be deemed to have come into force on the thirtieth day of August, 1977.

Amendment of section 4 of West Ben. Act XXVI of 1976.

2. In section 4 of the Darjeeling Hill Areas Development Council Act, 1976,—

(*1*) for the existing marginal note, the following shall be substituted :—

"Members of the Council and their allowances.",

(*2*) after sub-section (*2*), the following sub-section shall be added:—

"(*3*) The members nominated under clause (*e*) of sub-section (*1*) shall, for attending meetings of the Council, be entitled to such fees and allowances as may be prescribed.".

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 447-L. — 22nd March, 1978. — The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 25 of 1978

THE WEST BENGAL ESTATES ACQUISITION (AMENDMENT) BILL, 1978.

A

BILL

to amend the West Bengal Estates Acquisition Act, 1953.

WHEREAS it is expedient to amend the West Bengal Estates Acquisition Act, 1953, for the purpose and in the manner hereinafter appearing; West Ben. Act I of 1954.

It is hereby enacted in the Twenty-ninth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the West Bengal Estates Acquisition (Amendment) Act, 1978.

Amendment of section 44 of West Ben. Act I of 1954.

2. In sub-section (2*a*) of section 44 of the West Bengal Estates Acquisition Act, 1953, for the words "twenty-one years", the words "twenty-five years" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

The power of the Revenue Officer to correct record-of-rights *sue motu* under section 44(2a) of the West Bengal Estates Acquisition Act, 1953, will expire on 3rd November, 1978. As the drive for detection of lands held clandestinely by the land-owners is still continuing, it is considered necessary that the Revenue Officers should have power to revise any entry in the record-of-rights *sue motu* for a further period.

The Bill has been framed with the object in view.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 448-L.—22nd March, 1978.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 26 of 1978

THE WEST BENGAL PREMISES TENANCY (AMENDMENT) BILL, 1978.

A

BILL

to amend the West Bengal Premises Tenancy Act, 1956.

WHEREAS it is expedient to amend the West Bengal Premises Tenancy Act, 1956, for the purpose and in the manner hereinafter appearing; West Ben. Act XII of 1956.

It is hereby enacted in the Twenty-ninth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the West Bengal Premises Tenancy (Amendment) Act, 1978.

Amendment of section 29B of West Ben. Act XII of 1956.

2. In section 29B of the West Bengal Premises Tenancy Act, 1956,—

(*a*) in sub-section (*1*), after the words "for the time being,", the words "or by a landlord who is a retired member of the naval, military or air force of the Union of India or will retire within a period of less than one year as such member," shall be inserted:

The West Bengal Premises Tenancy (Amendment) Bill, 1978.

(*Clause 2.*)

(*b*) to sub-section (*2*), the following proviso and *Explanation* shall be added:—

'Provided that where the landlord is a retired member of the naval, military or air force of the Union of India or will retire within a period of less than one year as such member, he shall, while filing the application, produce before the Controller a certificate by the Area or Sub-Area Commander within whose jurisdiction the premises are situated or by the Head of his Service or by his Commanding Officer that he has retired, or will retire within a period of less than one year, as such member and that he requires the premises for his own occupation and for the occupation of his family after retirement.

Explanation.—"Family" shall have the same meaning as in the *Explanation* to clause (*l*) of sub-section (*1*) of section 13.'.

STATEMENT OF OBJECTS AND REASONS.

In many cases, retiring or retired members of the Armed Forces cannot easily get back possession of their residence, let out to tenants, at the end of their service life. In order to enable them to get back possession of their residential accommodation, in genuine cases, by a simplified procedure, it is considered expedient to extend the benefit which was granted to a Government employee under the West Bengal Premises Tenancy (Amendment) Act, 1976, to such members of the Armed Forces.

The Bill has been framed with the above object in view.

GOVERNMENT OF WEST BENGAL
LEGISLATIVE DEPARTMENT
NOTIFICATION

No. 449-L. — 22nd March, 1978. — The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 27 of 1978

THE CALCUTTA *THIKA* TENANCY STAY OF PROCEEDINGS (TEMPORARY PROVISIONS) BILL, 1978.

A BILL

to provide for the temporary stay of proceedings for ejectment of thika *tenants and* Bharatias.

WHEREAS it is expedient, pending the enactment of further legislation, to provide for the temporary stay of proceedings for ejectment of *thika* tenants and *Bharatias* holding under *thika* tenants;

It is hereby enacted in the Twenty-ninth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title, extent, commencement and duration.

1. (*1*) This Act may be called the Calcutta *Thika* Tenancy Stay of Proceedings (Temporary Provisions) Act, 1978.

(*2*) It extends to the areas to which the Calcutta *Thika* Tenancy Act, 1949 extends. **West Ben. Act II of 1949.**

(*3*) It shall come into force at once and shall continue in force for a period of one year from the date of its commencement.

The Calcutta Thika *Tenancy Stay of Proceedings (Temporary Provisions) Bill, 1978.*

(Clauses 2-5.)

Definition.

2. In this Act, the expressions "*thika* tenant" and "*Bharatia*" have the meanings respectively assigned to them in the Calcutta *Thika* Tenancy Act, 1949. West Ben. Act II of 1949.

Stay of proceedings for ejectment of *thika* tenants.

3. Notwithstanding anything contained in the Calcutta *Thika* Tenancy Act, 1949, or in any other law for the time being in force,—

(*a*) all applications for ejectment of *thika* tenants,

(*b*) all appeals from orders made on such applications, and

(*c*) all proceedings in execution of orders for ejectment of *thika* tenants,

under the provisions of the Calcutta *Thika* Tenancy Act, 1949, which are pending at the date of commencement of this Act or which may be made, preferred or commenced after such date but before the expiry of this Act, in respect of any land which is not a 'vacant land' within the meaning of the Urban Land (Ceiling and Regulation) Act, 1976, shall be stayed for the period during which this Act continues in force. 33 of 1976.

Stay of suits and proceedings against *Bharatias*.

4. No *thika* tenant shall, while this Act continues in force, commence, or continue with, any suit, appeal or proceedings in execution of orders, for ejectment of any *Bharatia* and all pending suits, appeals or proceedings in execution of orders, for ejectment of a *Bharatia* shall remain stayed.

Saving of limitation.

5. In computing the period of limitation prescribed by any law for the time being in force for an application for the ejectment of a *thika* tenant or for such a suit against a *Bharatia* or for an appeal from an order or decree made on such application or suit or for the execution of an order or decree for ejectment of a *thika* tenant or a *Bharatia*, as the case may be, the period during which this Act continues in force shall be excluded.

STATEMENT OF OBJECTS AND REASONS.

The position of *thika* tenants residing in *kutcha* structures and the position of *Bharatias* under *thika* tenants remain vulnerable and it is considered expedient to bring a comprehensive legislation for protecting the interests of *thika* tenants and *Bharatias* under them. Pending such legislation, it is necessary that as a temporary relief, all proceedings for ejectment, including execution of decrees, of all *thika* tenants and *Bharatias* under them should be stayed for one year.

The Bill has been framed with the above object in view.

NOTIFICATION

No. 607-L.—17th April, 1978.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 31 of 1978

THE INDIAN TOLLS (WEST BENGAL AMENDMENT) BILL, 1978.

A

BILL

to amend the Indian Tolls Act, 1851, in its application to West Bengal.

WHEREAS it is necessary to amend the Indian Tolls Act, 1851, in its application to West Bengal, for the purpose and in the manner hereinafter appearing; 8 of 1851.

It is hereby enacted in the Twenty-ninth Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the Indian Tolls (West Bengal Amendment) Act, 1978.

Application of the Act.

2. The Indian Tolls Act, 1851 (hereinafter referred to as the said Act), shall, in its application to West Bengal, be amended in the manner hereinafter provided.

Substitution of new section for section 4 of Act 8 of 1851.

3. For section 4 of the said Act, the following section shall be substituted:—

"Exemptions from payment of toll.

4. (*1*) No tolls shall be paid for the passage of Members of Parliament and Members of the West Bengal Legislative Assembly and their vehicles, or for the passage of Police Officers on duty or of any person or property in their custody, or for the passage of any vehicle belonging to the Government of West Bengal with persons on board.

The Indian Tolls (West Bengal Amendment) Bill, 1978.

(Clause 3.)

(2) The State Government may, by order, exempt from payment of tolls, for such area and for such period as it may specify,—

(a) the passage of vehicles with persons on board, engaged in relief operations, procurement and transport of foodgrains and election-duty or in any other urgent Government work, as it may determine; or

(b) the passage of such vehicles with persons on board of a religious or charitable institution, as it may think fit.

(3) No other exemption from payment of the toll levied under this Act shall be allowed.".

STATEMENT OF OBJECTS AND REASONS.

Section 4 of the Indian Tolls Act, 1851 exempts only police officers on duty or any person or property in their custody from payment of tolls. This is connected with limited activities of the then administration. Governmental activity is now concerned more with social and democratic aspirations of the people than mere enforcement of law and order. Accordingly all Government vehicles are required to move freely across toll bridges without payment of tolls for rushing provisions to the people in drought-prone and flood-affected areas as also for carriage of men and materials for holding elections. The vehicles used by many religious and charitable organisations which are supplementing Governmental endeavours towards social cause are also considered eligible for exemption from payment of tolls. In a free democratic society, the State Legislature and Parliament are supreme bodies and people's representatives on these bodies should be exempted from payment of tolls, when they move across toll bridges.

2. The Indian Tolls (West Bengal Amendment) Bill, 1978 has been drafted with the aforesaid objects in view.

"(*f*) such particulars as may be applicable to the applicant with respect to matters referred to in the provisos to sub-section (*1*) of section 55;".

Amendment of section 55.

6. In section 55 of the said Act, for the proviso to sub-section (*1*), the following provisos shall be substituted, namely:—

"Provided that other conditions being equal, an application for a public carrier's permit from a partnership firm or a private limited company or a public limited company or a co-operative society registered or deemed to have been registered under any enactment in force for the time being or a group of individuals shall, as far as may be, be given preference over applications from individual owners if the group of individuals consists of not less than four persons or the partnership firm, private limited company, public limited company or co-operative society consists of not less than four partners, share-holders or members, as the case may be and one of such persons or partners, share-holders or members is a driver holding an effective driving licence to drive a transport vehicle of a public carrier; and such group of individuals or partnership firm or private limited company or public limited company or co-operative society shall be eligible for a permit for one transport vehicle of a public carrier:

Provided further that other conditions being equal, a group of individuals consisting of not less than nine persons or a partnership firm or a private limited company or a public limited company or a co-operative society having not less than nine partners, share-holders or members, as the case may be, shall be eligible to get permits for two transport vehicles of a public carrier if three of such persons or partners, share-holders or members are drivers and hold effective driving licence to drive a transport vehicle of a public carrier.".

STATEMENT OF OBJECTS AND REASONS.

The existing provisos to sections 47(1) and 55(1) of the Motor Vehicles Act, 1939 provide that, other conditions being equal, applications for a stage carriage permit or a public carrier's permit from a co-operative society registered or deemed to have been registered under any enactment in force for the time being shall, as far as may be, be given preference over applications from individual owners. A co-operative society does not necessarily comprise members who have had direct knowledge and experience of transport trade and as such participation of transport workers in the management and running of passenger transort and goods transport services can never be assured except as paid employees. In order that direct participation of transport workers in the management of passenger transport and goods transport services can be ensured, it has been felt necessary to provide for grant of preference to applications for stage carriage permits and public carrier's permits from co-operative societies, groups of individuals, partnership firms, private limited companies or public limited companies with not less than a specified number of drivers and, in the case of stage carriage permits, drivers and conductors as members, constituent persons, partners or share-holders. In grant of such preference, a specified minimum number of total members, constituent persons, partners or share-holders is also proposed to be laid down. The present Bill seeks to provide for grant of such preference, other conditions being equal, to applications for stage carriage permits and public carrier's permits from co-operative societies, groups of individuals, partnership firms, private limited companies or public limited companies with not less than four persons as members, constituent persons, partners or share-holders, of whom at least one person shall be a driver and, in the case of stage carriage permits, at least another shall be a conductor. Provisions have also been made in the Bill for according preference in the matter of grant of two permits if the total number of members, constituent persons, partners or share-holders is not less than nine and the total number of drivers among them is not less than three and, in the case of stage carriage permits, the total number of drivers is not less than three and the total number of conductors is not less than two.

STATEMENT OF OBJECTS AND REASONS.

In view of a recent decision of the Calcutta High Court it has become necessary to protect the constitution of, and validate all actions taken by, the Regulated Market Committees previously constituted without any representative of the financing banks and licensed traders as required under the Act.

Besides, the provisions of the Act which was brought into force in 1973 and was amended in 1975 and 1977, were found, in course of implementation of the Act, inadequate in some other respects. The present Bill is intended to protect the constitution of, and validate all actions taken by, the Regulated Market Committees previously constituted and to make good the other inadequacies in the Act.

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL.

Present :

Shri S. AHMED, M.A., LL.B., Judge,
First Industrial Tribunal.

Appearances :

For the Company : Shri B. K. Mukherjee, Advocate.

For the Union : None.

AWARD

An industrial dispute between Messrs. N. T. Kothari & Co., 290 Bepin Behari Ganguly Street, Calcutta-12, and their workmen represented by N. T. Kothari & Co. Employees' Union, 16 South Sealdah Road, Calcutta-15, has been referred for adjudication under section 10 of the Industrial Disputes Act, by the Government of West Bengal, in the Labour Department, order No. 6995-IR, dated 5th November 1974, on the following issue:

Issue

Whether the retrenchment of six (6) workmen, Sarbashree (i) Nikhil Kumar Boral, (ii) Shyamal Bose, (iii) Ranjit Sengupta, (iv) Kalyan Mukherjee, (v) Julan Chaki and (vi) Dipak Roy is justified ? To what relief, if any, they are entitled ?

On receipt of the Order of Reference usual notices were sent to the parties. They appeared and put in their respective written statements and copies of documents. The Company raised some preliminary objection which was heard separately. By my order No. 22, dated 22nd July 1976, the preliminary objections were not found substantial. The case was fixed for hearing on merits. The

Union took several adjournments but did not contest the case. The matter has been heard ex-parte. In support of its case the Company has examined C. W. 1, Shri Sukhendu Dutta. He stated that all the concerned workmen named in the Order of Reference were employees of the Company. The Company's business was being run into two distinct, separate and independent divisions. One of them was Survey and Assessment of cargo and fireloss and the other was Dock Supervision of import cargo. All the workmen were employed in the Dock Supervision Division. The Company has totally closed down this division, and as a result the services of the concerned workmen including others have been terminated. Ext. 5 series are the letters of termination. Compensation was paid to each of the workmen which they accepted. Exts. 13 series are the relevant money order receipts and Exts. 14 series are the money order acknowledgement receipts by the concerned workmen. The Company has paid compensation in terms of the Industrial Disputes Act. The Company served one month's notice to all its workmen stating that their services will be terminated. According to the Company the workmen are not entitled to any relief. The Union is not contesting the case. There is no reason why the evidence adduced by the Company in support of its case will not be accepted. As a result, I find that the concerned workmen named in the Order of Reference are not entitled to any relief.

This is my award.

Dictated and corrected by me.

S. AHMED,
Judge.

S. AHMED, Judge,

The C. P. I. Numbers for Malda-West Dinajpur area has remained steady at 287 in November 1977 and thereafter it has declined by 7 (seven) points to 280 in December 1977.

The fall in the C. P. I. Nos. in December 1977 is mainly due to fall in the prices of Rice, Atta, Kalaidal, Sugar, Gur, Potato, Onion, Halud, etc. and certain items under Clothing Group.

The above fall in the prices has caused the Combined Index Nos. to decline in December 1977 although there has been rise in prices in respect of so many other items.
